Dear \_\_\_\_\_,

**Sub: Issue of Micro ATM under Rural Development and Livelihood Program**

As per our discussion with you, we are pleased to offer you to become a 'Mitra'. You will be provided an interoperable Micro-ATMs ("MATMs") that will significantly improve access for all customers, irrespective of which bank they have an account with, to basic banking and payments services, which would envisage creating a completely interoperable payment mechanism in the rural areas. The 'MATM' consists of a Tablet, Biometric, Bluetooth printer and a Card Reader closely integrated into a single customized unit. You will also be provided the financial literacy and digital skilling by us.

It may be noted that this 'MATM' is provided to you without any consideration. You will be responsible for proper taking care of the device and its repair and maintenance expenses etc. and you will not be entitled to make any claim against IDFC Foundation in relation to any expenses incurred for repair and maintenance of Micro-ATMs.

We welcome you on board and wish you success in this endeavour.

Kindly sign a copy of this letter as your acknowledgement to receive the 'MATM' and acceptance to the terms and conditions mentioned in the letter along with your KYC documents.

Regards,

Authorised Signatory

I hereby acknowledge the receipt of the MATM device from IDFC Foundation.
